The return of the extremely popular folk band, THE JIGANTICS (with their amazing musical roots stew) on Saturday 16th March 2019 They sold out quickly when they came to Selsey last time. So good are they!!

“The Jigantics were brilliant. A refreshing and varied blend of uptempo songs and beautifully arranged ballads. Great instrumentation from very talented musicians delivered by a band who had presence. They worked hard to build a strong rapport with the audience. The result; a really enjoyable night with people feeling uplifted having been part of something quite special.”
 David Francis - Nailsea Folk Club

The hugely successful folk singer/bassist, MIRANDA SYKES on Saturday 7th September 2019

MIRANDA SYKES

Miranda Sykes, the acclaimed singer and bassist with ‘Show of Hands’ is returning to her

roots. After a career spanning over 20 years, during which time she has played with many of the top musicians and singers within the folk world, she will be touring as she started out: one woman, one bass, and one guitar. Borrowed Places is a project that draws its inspiration primarily from the songs and landscapes of her native Lincolnshire but seen through the eyes of someone who has lived away for many years. With her sensational voice, and accompanying herself, Miranda interprets the soul of the land and takes her audience on a journey that resonates with us all, wherever we live and it is one you won’t want to miss.”
